VESTERDAY'S GAMES. New Castle S. Wheeling 5. Fort Wayne 12, Columbus 6 TO-DAY'S GAMES.

New Castle at Wheeling. Youngstown at Toledo. Mansfeld at Dayton. Columbus at Fort Wayne.

Wheeling lost to New Castle yesterday because the Quakers played better ball. In the first inning it looked like the locals had a cinch, when they pited up three runs and the youthful-looking Thomas began to size up as a mark. But it was an off day in the field for Lytle's men evidently, and their errors were responsible for nearly all of New Castle's scores. Pardes pitched creditable ball and would have won his game with errorless support, and he was up against Old Ill Luck from another standpoint, for New Castle made all its ger. rues after two men were out.

Pardee was desirous of going against New Castle and it was said he asked to be allowed to pitch the series. He will hardly repeat the request after yesterday's outcome. They banged him for the home team in the double-head-twelve hits and made them when they er with New Costle this afternoon. The were needed. But it was the loose fielding of the home team that lost the The Stogies tallied three in the first

inning on Meaney's single, Lyons' base on balls and Congalton's three bagger. In the second, Rothermel, who had been passed by Thomas, completed the cir-cuit; Boyd being hit by the same gentleman, and Pardee sacrificed, Rother-mel coming in on Meaney's out to deep centres. In the sixth, Pequinney made the final run, starting off with his own hit. A hit by Rothermel and two bases on balls forced him across the plate.

New Castle was blanked until the third, when they collared three runs, and duplicated this performance in the fifth, making one each in the seventh and eighth. Their scoring was done always after two men were retired, and they were generally started by an error of the infield and followed by good hit-

The management announces a doubleheader this afternoon, beginning at 2 o'clock, and Wheeling will make a desperate effort to connect with both. The WHEELING, AB. R. BH. PO. A. E.

To-morrow Wheeling goes to Colum bus for a four-game series, and "Pop Lytle expects to place his team safely at the top of the "standing of clubs as a result.

Barney Furey Gets Decision Over Finnerty in a Fifteen-Round Bout.

pecial Dispatch to the Intelligencer. MARIETTA, Ohio, June 18.—In a fifteen-round fight between Barney Furey, of Cincinnati, and "Squirrel" Finnerty, of Youngstown, at the city auditorium to-night, Furey was awarded the decision by Referee Patsy Gavin, of Wheeling. The announcement was greeted with vociferous applause by the large audience, Furey having fairly won the battle. Furcy stripped at 13! pounds. Finnerty weighed 150, and seemed entirely too fat, though he took punishment well and finished strong forcing the fighting from the start. Furey displayed fine action and Furey displayed strength, and his shiftiness took him out of reach of Finnerty's blows. After the decision was announced Finnerty challenged Furey for a match at 130 pounds for \$1,000 a side.
